

User-centric corporate and fund services

We bring together great service with great technology.

Lanturn is Singapore's leading fintech firm that leverages technology to offer efficient, seamless, and on-demand corporate and fund services. Ditch the paperwork and loose files; everything is stored on the cloud on our proprietary platforms where it can be accessed at anytime. No two businesses are alike, which is why your experience with us is unique and tailored to your needs.

hello@lanturn.com — lanturn.com

Starting a business in Singapore is an easy and straightforward process. Whether you wish to incorporate on your own, remotely or you'd like an experienced consultant to guide you through the process, *Lanturn can help.*

Our Corporate Services clients

Michael Gilmore

Money Awareness and Inclusion Awards, Founder

//

Lanturn comes in and makes sure that the service is seamless and frictionless. My time is expensive, and that's why I would use Lanturn, as it makes things frictionless each time.

Fund Services

Lanturn combines fund services tailored to each client with a proprietary technology platform that lets you worry less about documentation so you can focus more on raising and deploying capital.

Bank Recon

Accurate reconciliation of your fund bank accounts made easy with our professional services. Trust our team to provide precise bank reconciliation services for your fund.

Audit Support

Get the audit support you need with our professional services. Our team is here to support your year-end audit work with detailed reports and assistance.

Fund Taxes

Trust us to handle your fund taxes, we will collect documentation and prepare your taxes, to free up your CFO to focus on important business objectives.

Capital Calls

Capital calls made easy with our customised letter services. Let Lanturn take care of the complex process of calculating and preparing capital call letters for your fund.

Expenses

Partner with Lanturn for worry-free fund expense management and recording. We will review, process, and record expenses in accordance with partnership agreements.

Capital Accounts Balance Tracking

Leave the capital account tracking to us and focus on your business objectives. We calculate and track all LP and GP capital account balances per the stipulations in the partnership agreements.

Financial Statement Distribution

Effortlessly provide financial statements to your LPs with our LFS platform. Keep your LPs up-to-date with financial statements prepared and uploaded by our team.

Financial Statement Preparation

Stay on top of your finances with our comprehensive fund financial statement preparation. Our team of experts will create monthly, quarterly, and annual fund financial statements on a cash or accrual basis for your fund.

Fund Formation

We help you set up an institutional-grade fund, and we are there to support you all the way. We want you to maximise the time you spend investing by handling your VCFM, RFMC licences, complex fund administration processes and other compliance needs.

What is the Lanturn Fund Services Platform

The platform was created as an innovative solution designed to simplify private market investments for small and mid-cap asset managers.

Enhanced Connectivity

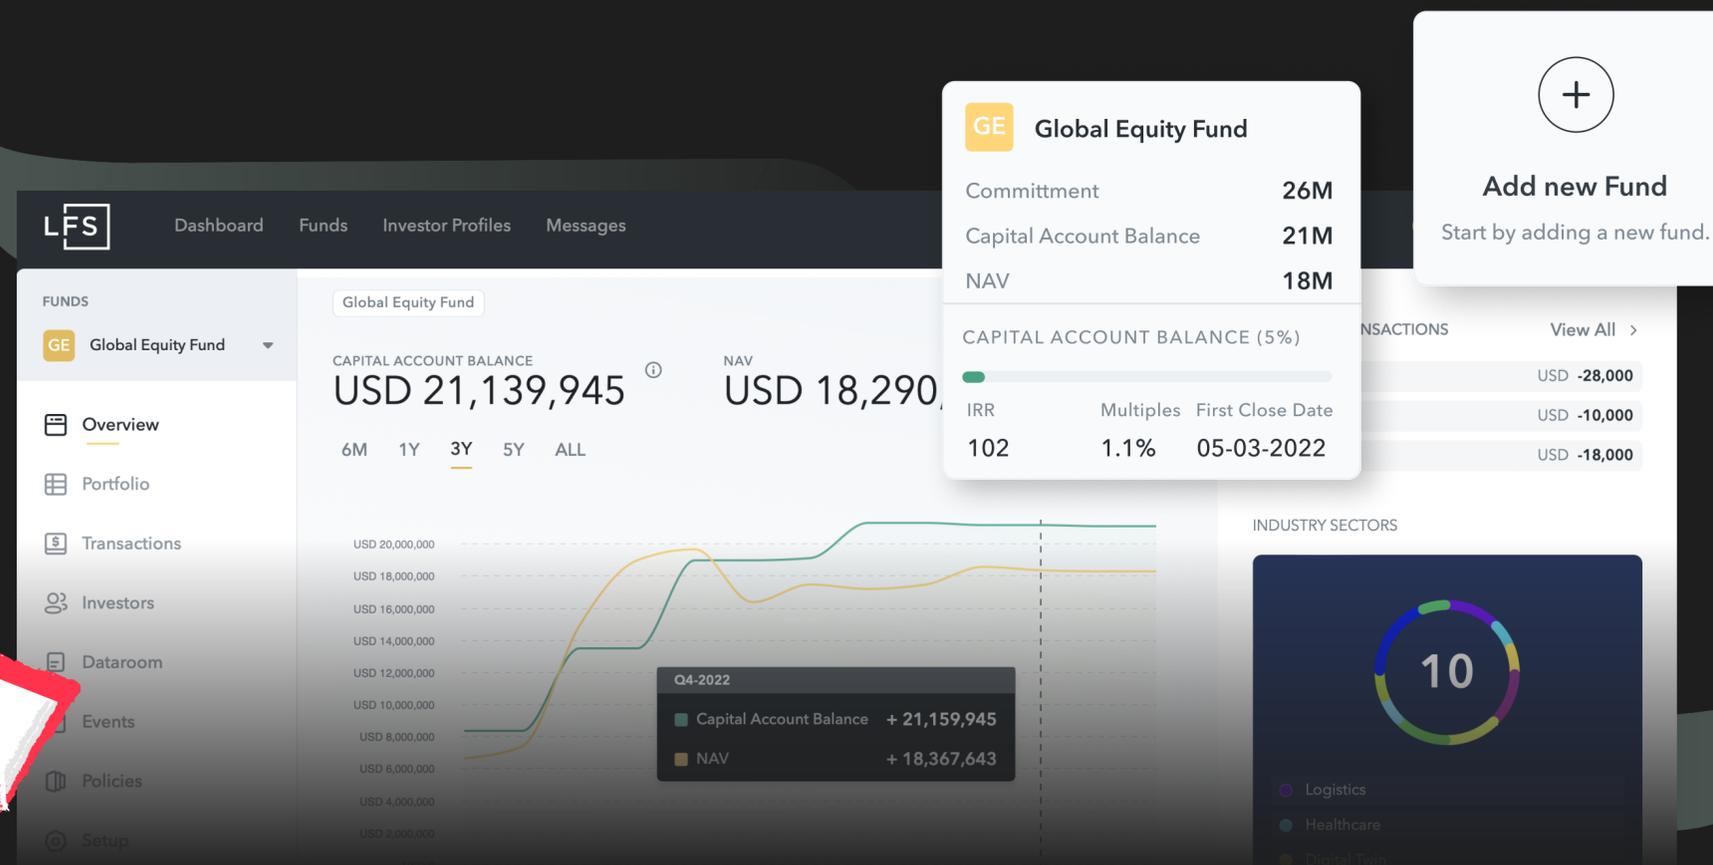

Free up your team's time and resources with Lanturn's expert solutions and innovative technology. Let our services enable you to efficiently create and manage funds at scale, with minimal time and cost investment.

Seamless user experience

Let Lanturn's experienced team provide comprehensive fund administration services that assist CFOs, CPAs, lawyers, and investors in navigating basic and complicated financial requirements.

Cost-effective solutions

We combine our extensive industry knowledge with innovative technology to deliver precise and efficient fund administration services, allowing you to optimise costs and grow your business.

That all sounds great...

But what does it really mean for you? At the end of the day, technology can only do so much without the right people behind it. Our sophisticated tech stack allows our all-star team of accountants and corporate secretaries to provide amazing service and benefits:

- ✕ No more paperwork and long email threads
- ✕ Responses from us within 24 hours
- ✕ Cloud access to company data and documents
- ✕ Digital signatures
- ✕ Automatic deadline reminders
- ✕ Quick submission of expenses
